Attn: ms.gov Enterprise Payment Portal Users

Through our partnership with the State of Mississippi, Mississippi Interactive, LLC will be enhancing the State's official common check out solution on October 1, 2013. The update will include a customer friendly user interface for easier and faster payments and will be mobile optimized for efficient check out on any device.

This enhancement will require no action from your Agency and you will continue to benefit from the secure electronic payment methods you are accustomed to.

Sincerely,

A handwritten signature in blue ink that reads "Deanna Gronlie".
