

**MS Department of Human  
Services New Hire Reporting  
Directory  
11/19/2010**

Effective December 1, 2010, state agencies are required to report three new data elements (employee salary, payment frequency, and medical insurance eligibility) for new hires. This is a reminder that Mississippi Management Reporting System (MMRS) does report state agencies' new hires to the Mississippi Department of Human Services' (MDHS) New Hire Reporting Directory on the 15<sup>th</sup> and the last working day of each month.

If you have any questions or concerns, please contact MMRS Call Center at 601-359-1343 or send an e-mail to [MASH@dfa.state.ms.us](mailto:MASH@dfa.state.ms.us).
