

## **Protégé Support and Assistance for State Agencies**

Please remember that all calls for assistance with Protégé should be directed to the MMRS Call Center so that MMRS can track and appropriately handle issues in a timely manner. Problems regarding products agencies have acquired directly from InCircuit (ex: bar code scanners and additional modules for internal use) may be reported to InCircuit. For all other issues or questions please contact the MMRS Call Center at 601-359-1343 or [mash@dfa.state.ms.us](mailto:mash@dfa.state.ms.us).
